

WARRANTY INFORMATION

Covered by Warranty:

Worn spots in photo above represents material failure and would be covered under warranty

Not Covered by Warranty:

Wear caused by debris between tube and bottom as illustrated in photo above (1) Ring and leash are not being properly stowed in tube cover; (2) Debris is allowed to collect inside cover and creates bumpy areas of uneven material on the bottom, leading to rapid wear and tear.

You've come to expect us to do things differently at Idaho Sewing for Sports, Inc. Well here's one more to add to the list - OUR WARRANTY! All manufacturer's have them, but none is like ours. Our warranty is backed by our guarantee.

We stand behind our products. All products manufactured by Idaho Sewing for Sports, Inc. are fully guaranteed against defects in materials and workmanship for the life of the product. We will repair or replace, at our option, any product that fails due to a manufacturing defect.

This warranty specifically does not cover the normal breakdown of materials that can be expected over time, or the misuse of the product. Repairs necessitated by normal wear and tear, misuse or accident will be made for a reasonable charge.

All products returned for repairs must be cleaned prior to being shipped to Idaho Sewing for Sports, Inc. There will be an extra charge added to all products returned for repair work that have not been previously cleaned.

All freight charges incurred for returns or warranty claims are the responsibility of the returning party.

To process a warranty claim, please call us at 208-983-0988 to obtain a Return Authorization (RA) Number. All products returned to Idaho Sewing for Sports, Inc. without a valid RA number will be refused.
